

Office of the City Manager

Committed to our Residents, Organizational Pride, Leading by Example, Excellent Customer Service,
Making a Difference, Accountable for our actions, Never settle for less – We are **COLEMAN**

**PRESS RELEASE
CITY OF COLEMAN**

02-03-2022

City Offices Closed on Friday, February 4th, 2022

City Facilities will remain closed to the public on Friday, February 4th, 2022.

The National Weather Service has advised that road conditions are expected to remain hazardous through Friday due to widespread ice and snowpack. Although some partial melting has taken place, this is expected to re-freeze on the roads after sunset. Even some spots that may appear to be clear will likely have black ice. Road conditions will therefore become very icy and slippery overnight and through Friday morning and possibly into Saturday. Non-essential travel is being discouraged.

The following City Facilities will be impacted:

- City Hall
- Public Works
- Municipal Court
- Public Library

Waste Connections of Texas will has advised us that they will be unable to run their planned route on Friday. Please see the schedule below for your pickup information.

Thursday service (2/3/2022) will be picked up on Saturday.

Friday service (2/4/2022) will be picked up as soon as possible. Please leave your container at the curb.

As always, Public Safety Facilities and other essential City Staff will continue to be available to meet the needs of the community.

Please monitor our city website and social media pages for information as this event unfolds. Be sure you are signed up for hyper-reach to receive weather and community alerts on your cell phone or email. <http://hyper-reach.com/txcolemansignup.html>
