Making a Difference, **A**ccountable for our actions, **N**ever settle for less – We are **COLEMAN**

**PRESS RELEASE
CITY OF COLEMAN**

02-02-2022

City Offices Closed due to Inclement Weather

City Facilities will be closed to the public on Thursday, February 3rd, 2022, and will have a delayed opening, at 10:00 a.m. on Friday, February 4th, 2022.

A winter weather event will affect the City of Coleman over the next several days, which is anticipated to make travel hazardous. The National Weather Service has issued a Winter Storm Warning for our area to include rain, sleet, snow, and some ice accumulation. While precipitation is expected to cease around mid-day on Thursday, extreme cold may continue to make travel hazardous into the weekend. Please use caution while driving and only travel if absolutely necessary.

The following City Facilities will be impacted:

- City Hall
- Public Works
- Municipal Court
- Public Library

Waste Connections of Texas will have delayed operations due to dangerous road conditions. The following schedule may change based on road conditions.

Thursday service (2/3/2022) will be picked up on Friday

Friday service (2/4/2022) will be picked up on Saturday

Public Safety Facilities and other essential City Staff will continue to be available to meet the needs of the community.

Please monitor our city website and social media pages for information as this event unfolds. Be sure you are signed up for hyper-reach to receive weather and community alerts on your cell phone or email. <http://hyper-reach.com/txcolemansignup.html>
