City of Coleman Non-Essential Services Closed Trash Pick Up as Weather Permits

We are suspending non-essential services due to the weather. Non-essential personnel are not required to report for work. Emergency and Essential Personnel will remain on duty.

The following City of Coleman Facilities will be closed

- City Hall
- Public Works
- Municipal Court
- Public Library

FYI: Waste Connections of Texas is running today's Trash route. In case you are asked, Customers are asked to have trash receptacles out and Waste Connections will get to your address as weather permits.

Public Safety Facilities will continue to serve our residents.

To report power outages within the City Limits please call 325-214-1937.

Please monitor our city website and social media pages for information as this event unfolds. Stay Safe and Warm!
